

## ***Cordless MouseMan® Optical***

Cordless • Mac • Optical • PC • PS/2 • USB

Reclaim your desktop with our premium, full-featured mouse. Get smooth optical performance and cordless freedom in a sleek, comfortable shape.

Comfortable, precise, and cordless —it's the ultimate mouse for both home and business. Its sleek, contoured shape nestles snugly into your right hand, and the optical sensor lets you glide across most surfaces. And with its built-in digital radio technology, you can point and click from anywhere on or off your desk up to six feet away.

- No cord to limit your movement or clutter your desk.
- Up to 800-dpi optical sensor for twice the speed, twice the accuracy.
- Optical technology means greater accuracy and no cleaning.
- Four customizable buttons including the popular thumb button.
- WebWheel™ software to enhance Internet browsing.
